

# BE YOUR BOSS NEWS

## European connections 4 entrepreneurship development

### In this issue:

- Results of the survey on entrepreneurial skills among graduates in human science
- Photo contest

### Entrepreneurial Skills Survey

The survey on entrepreneurial skills among humanities graduates is an international cooperation project between 6 European countries. Do you want to open your own business and what step do you take to start? What are the obstacles and what will help you to start? What skills do you need to start a business? And more interesting facts.....

Find the answers in our survey report:  
[beyourbosserasmusplus.wordpress.com](http://beyourbosserasmusplus.wordpress.com)

### Photo contest

The Photo contest is design for young graduates in humanities who wish to express their entrepreneurial skills, develop international network opportunities and bring the entrepreneurial presence into their performance.

#### Specifically,

The photo contest have to represent the person in the environment who can represent their entrepreneurial aspiration.
